

VITAL SERVICES MUST BE SAVED

URGENT trip to Springfield to stop cuts to essential programs!

Our elected officials in Springfield let us down. If they don't do the right thing and pass a fair income tax increase before it's too late, our families and our communities are facing disaster.

- 150,000 children and their parents will lose their child care assistance
- Early childhood education will be eliminated for 100,000 children
- Over 40,000 seniors and people with disabilities will lose their home care
- 15,000 foster children will have their support cut in half, including the number of caseworkers who investigate abuse and neglect
- 175,000 people who depend on community mental health services will lose their care
- 56,000 victims of sexual assault and domestic violence will lose support services
- Substance abuse, teen pregnancy and violence and delinquency prevention programs will be cut – affecting 463,000 children and teens.
- 190,000 students will lose college scholarships

We cannot let this happen. Attend a critical rally in Springfield:

Tuesday, June 23rd

It has NEVER been more important for us to stand up for our families!
